Supporting young people to reach their full
potential

WHITELION
WYNDHAM

THE FACTS

1:200

One in every two hundred people in Australia are homeless each night— 42% of these are under 25 (Homelessness Australia website 2015)

There has been a 168% increase in incidences of Family Violence in Wyndham between 2009-2013 (Herald Sun, 2013)

168%

53%

53% of young people case managed by Whitelion in Wyndham in 2014/15FY had experienced homelessness and unstable housing

350

350 is the number of young people our NOSH (Nutrition Outreach Support and Health) program engages on average every week in Wyndham

101 is the number of young people we support with intense case management each year to ensure they have a safe place to sleep, can work or study and reach their goals

101

20,000

20,000 is the amount of young people we want to reach around Wyndham in 2016 with your support
