

WYNDHAM SCHOOL FUNDRAISING

LOCAL FUNDRAISING FOR A LOCAL CAUSE

Everyone deserves a place to call home...

The *Wyndham Youth Homelessness Project* is a community based campaign raising much needed awareness and funds to assist in the support of young people experiencing homelessness and unstable housing in the Wyndham region.

Funds raised will be utilised through the Whitelion Wyndham Housing Program and Street Outreach Program to provide short term accommodation, outreach and case management support, material aid assistance, training, education and employment pathways and transition planning for young people in the community.

HOW SCHOOLS CAN GET INVOLVED-

We would like to encourage schools and students to fundraise for this local initiative which supports young people experiencing homelessness and unstable housing in Wyndham.

We want to actively encourage social connectedness and youth leadership in Wyndham by providing opportunities for students to learn about and support a local cause. Every dollar raised helps!

Fundraising guidelines and promotional flyers are available at <http://www.whitelion.asn.au/wyndham-homelessness-project>.

Donation boxes and guest speakers can be negotiated (resource dependent) by contacting our Wyndham office.

For more information or to discuss your school fundraiser, please contact Whitelion in Wyndham on 8734 1339 or email charlotte.kelberg@whitelion.asn.au
